Methodology

WHY do we need Risk Management?

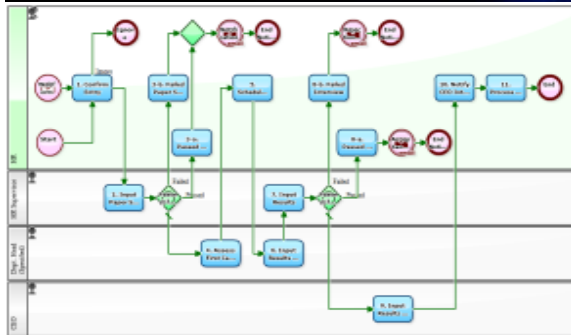

Why has Cyber-Security become a topic on the Board's agenda?

Draw up a Security Strategy which is simple, stable and aligned with Business.

Are we dedicating the right resources?

What can really bring down my business?

The background is a solid blue color. It features several abstract, overlapping geometric shapes in red, white, and light blue, arranged in a dynamic, non-linear pattern. These shapes resemble stylized arrows or blocks, creating a sense of movement and depth. The shapes are positioned primarily in the corners and along the sides of the frame, leaving the center clear for the text.
