GRC SUMMIT 2015

May 11-13, 2015

ARLINGTON, VA
WASHINGTON, DC AREA

MAXIMIZE BUSINESS PERFORMANCE THROUGH GRC JOURNEY

The MetricStream GRC Summit 2015 will bring together thought leaders, analysts, partners, and customers who have embarked on a Journey towards Pervasive GRC, with the goal of achieving superior business performance.

Pervasive GRC is MetricStream's vision for the future, enabling individuals, organizations, governments, and societies at large to:

- ❖ Adapt to changing technology interaction paradigms, such as mobility, social collaboration and cloud services
- ❖ Drive GRC adoption across the organization and extended enterprise, with a focus on Generation C users
- ❖ Layer GRC within core business processes & functions and push GRC to the point of action
- ❖ Contextualize GRC to help support analysis and strategic decision-making

The MetricStream GRC Summit 2015 is designed to help organizations chart their own journey towards Pervasive GRC, and create a blueprint for success by distilling the best practices and insights derived from GRC journeys undertaken by leading organizations around the world.
